

# UNION COUNTY SADDLE CLUB

## Banner Advertisement Form

The Union County Saddle Club is a non-profit equine club. We are operated by volunteers and the money we raise through advertising and open horse shows.

We started a Building Fund to address needed upgrades to our facilities and grounds. In keeping with our policies, we have chosen not to use any class fees or memberships to cover any of these additional expenses. Instead, we are excited to introduce a new advertising opportunity which will be the sole source of funding for any capital improvements, and it will give our new class of sponsor's special recognition for helping us achieve these goals.

In addition to our regular class sponsorships, we are excited to announce that we are now offering Banner Advertisements! Banners are available in two sizes and will be prominently displayed on an exterior wall of our club house.
