*** HOUSE KEEPING RULES ***

- **If you turn on the arena lights please turn them off when you leave!**
- Even though the lights are on a timer there is no reason they should be running for hours when no one is at the arena riding. We still have to pay a power bill....
- Do **NOT** tie any horses to the loose panels in the warm up area or run out! Those panels are not secured in the ground and will move if a horse sets back on the halter!
- **Do NOT LEAD YOUR HORSES ON THE CONCRETE!**
- Please be courteous of others while you are riding. Lets share the arena so everyone can enjoy it!
- Help us to keep our arena clean from trash!
- Please clean up after yourself and your kids!
- Do NOT tie a horse to the loose panels in the warm up area or alleyway! Those panels are not secured in the ground!

Text Message Instructions

Tell people to take out their phones.

- **Keep dogs on a leash at all times! Do not let them run loose at the arena!**
- We have a practice set of poles, cones and barrels out for you to use. The poles and cones are located between the bleachers near the middle of the arena gate.
- If you move barrels, use the poles and cones or open gates please put everything **BACK** where it belongs for the next person to use!
- The security cameras are monitored by the county as well as club officers so please help us with following the rules.
- Remember, if you are an adult please be a good example and role model for our youth. Little eyes are always watching.

Remember to reach out with any questions or concerns!

Sincerely,

~ Kayla Murphy ~
