Below are some regular reminders...

- **If you turn on the arena lights please turn them off when you leave!**
- Even though the lights are on a timer there is no reason they should be running for hours when no one is at the arena riding. We still have to pay a power bill....
- Please be courteous of others while you are riding. Lets share the arena so everyone can enjoy it!
- Help us to keep our arena clean from trash!
- Do NOT tie a horse to the loose panels in the warm up area or alleyway! Those panels are not secured in the ground!
- **Keep dogs on a leash at all times! Do not let them run loose at the arena!**
- We have a practice set of poles, cones and barrels out for you to use. The poles and cones are located between the bleachers near the middle of the arena gate.
- If you move barrels, use the poles and cones or open gates please put everything BACK where it belongs!
- Remember, if you are an adult please be a good example and role model for our youth. Little eyes are always watching.

As always.... Please reach out if you have any questions or concerns!

See y'all at the arena!
